Our Risk Workshop Issues

LACK OF UNDERSTANDING OF
① Project objectives
② RISK concepts

PEOPLE COME IN WITH A NEGATIVE ATTITUDE

Competence in facilitation
+ Identifying Risk

pre-conceived notions

PEOPLE COME UP WITH THE SAME STANDARD RISKS.

Lack of Knowledge

INCOMPETENT FACILITATOR

TALKING ABOUT ANYTHING BUT RISK

Failure to reach consensus in the time available.

POOR FACILITATION

PEOPLE COULD TO BE GOOD RATHER THAN PROACTIVELY CONTRIBUTE

how to make enjoyable sessions

visibility of outputs

Under scope of workshop

LACK OF UNDERSTANDING OF OBJECTIVES

behaviours

LACK OF CREATING THINKING

GETTING PEOPLE TO TURN UP

non attendance

LACK OF INTEREST

Lack of Interest, enthusiasm, or keeping people interested

NOT ENOUGH TIME

No buy in intent from attendees
non-engagement

NOT TAKING OWNERSHIP

Key people drop out

Meeting management challenges (e.g. location, time)

SME'S TALK IN TECH SPEAK

NOT SPEAKING UP.

DENIAL (no risks)

perceived value
LACK of PERCEIVED VALUE

Over Subscribed

Management interference or single dominant character

SILENCE! (not communicating)

No understanding of risk process and value

DOMINANCE

interruptions

OVER DOMINANT PERSONALITIES
